## Account Names

The name listed on your account is really important. It can determine if your account is residential or business, who can make changes to the account, who is responsible for paying the bill, as well as who checks are made payable to.

**TIP:** The name on the account does not, however, need to be the same for the telephone directory. This is a common question when a spouse has passed away. Contact our office at 515-352-3151 with questions about your account.

## Newsletter Contest

Congratulations to Jeffrey Gallogly of Vincent, Roland Roghair of Badger and Randy & Rochelle Weiss of Barnum! They found their telephone number in this newsletter. Find YOUR phone number in this newsletter and win a \$10.00 credit on your billing statement! Contact our office at 515-352-3151 if you find your number. This month there are three numbers hidden again. Can you find them?

## WCDTV Rate Change Reminder

Rate changes for WCDTV go into effect this month. Be sure to see the bill statement messages for more details about affected packages.

## SRC Spotlight

Webster-Calhoun recently held a small reception to promote the benefits of being named a Smart Rural Community by NTCA: The Rural Broadband Association. Office Manager, Marcie Boerner, addressed the group of economic development leaders about how the company qualified for the award, showed the video that accompanied the application as well as held ribbon cuttings.

Smart Rural Community street signs will be provided to each community to help promote awareness of the availability of high speed Internet. Something that is not readily available in all rural communities outside WCCTA. Lyn Adson, Vincent; Gayle Redman, Gowrie; Terry Vote, Somers; and Rita Kail, Farnhamville (shown at right) are pictured with their community signs.

WCCTA wants to hear YOUR story and how broadband impacts our rural communities. Contact Marcie at 515-352-3151.

*WCCTA staff and board members are pictured with ambassadors from the Greater Fort Dodge Growth Alliance.*
